Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
Bangalore.

SIR,

With reference to your letter No.2460/Edn.68-14-9 dated 9th January 1915, I have the honour to inform you that on account of the increase in the number of teachers under training this year, vide Government Order No.12-13/Edn.358-13-2 dated 1st July 1914, the number of candidates for the Teachers' Certificate Examinations has increased from 180 last year to 361 this year or double the number and it will continue in future years also. The Practical Examinations were held for 17 days last year when the number of candidates was 133 and the number of examiners was 8. This year the number of candidates for the Practical Examinations will be more than double the above number. The Board for the management of the Local Examinations has therefore increased the number of examiners from 8 to 12, the 4 additional examiners being intended for the Tumkur Centre. Even with this increased number of examiners, the examinations will have to continue for about 25 days. By holding both the Theoretical and Practical Examinations at Tumkur, there will be a large saving to Government by way of travelling allowance. Otherwise about 100 teachers coming from Shimoga and Tumkur to Mysore for the Practical Examination will have to be paid their travelling allowance from these places to Mysore. According to the proposed arrangement, these teachers will be examined at

Tu

Tumkur and their travelling allowance from Tumkur to Mysore will be saved to Government. Moreover this arrangement will be convenient to the candidates, especially those of Tumkur who will be examined in their own place, the cost of lodging, boarding etc. being cheaper in Tumkur than in Mysore.

The cost of this year's Teachers' Certificate Examination as regards remuneration to examiners which will be paid in the next official year, will be greater than last year on account of the increase in the number of candidates for the examination, but not on account of having an additional centre at Tumkur. A separate reference will be made to Government on this subject in connection with the budget for the next year. There is no need therefore to increase any of the allotments in this year's budget.

The favour of very early sanction to the proposal is requested.

I have the honour to be,

Sir,

Your most obedient servant,

H. Sharada Rao.
